

This June conference is the first of a series of 4 reflecting events in 2022 about the 4 Anti-bias education goals.

ANTI-BIAS EDUCATION GOALS

Identity, Diversity, Justice and Action are the four interconnected goals of anti-bias education, which build on each other and are relevant to all children and adults. Educators create the learning environment to foster these goals.

	Goals for Adults:	Goals for Children:
ABE goal 1 Identity	To be conscious of one's own culture, attitudes and values and how they influence practice	To support each child's identity (individual and group) and their sense of belonging
ABE goal 2 Diversity	To be comfortable with difference, have empathy and engage effectively with families	To foster children's empathy and support them to become comfortable with difference
ABE goal 3 Justice	To critically think about diversity, bias and discrimination	To encourage each child to critically think about diversity and bias
ABE goal 4 Action	To confidently engage in dialogue about issues of diversity, bias and discrimination. Work to challenge individual and institutional forms of prejudice and discrimination	To empower children to stand up for themselves and others in difficult situations
